Please note that a compliant joint venture between a protégé small business and a mentor authorized by 13 CFR §125.9, receives an exclusion from affiliation on government prime contracts and subcontracts. Please also ensure that the joint venture is registered in the System for Award Management (SAM).

Prior to the performance of any contract set aside or reserved for small business by a joint venture between a protégé small business and a mentor authorized by 13 CFR §125.9, the small business partner to the joint venture must submit a written certification to the contracting officer and SBA, signed by an authorized official of each partner to the joint venture, stating as follows:

- (1) The parties have entered into a joint venture agreement that fully complies with paragraph (b) of 13 CFR §125.8; and
- (2) The parties will perform the contract in compliance with the joint venture agreement and with the performance of work requirements set forth in paragraph (c) of 13 CFR §125.8.

Please see the attached Joint Venture Certification of Compliance with 13 CFR §§125.8 and 125.9 as a sample that you may use for this written certification. When you need to provide the Certification of Compliance to SBA, you may email to asmppjvreporting@sba.gov.

ASMPP regulations at 13 CFR §125.8 require that a joint venture agreement must state “that the joint venture submit to SBA quarterly financial statements and project-end profit and loss statements”. Those joint venture quarterly financial statements and project-end profit and loss statements should be submitted to SBA through email to asmppjvreporting@sba.gov. You must also provide a project-end performance of work report, which also should be submitted to asmppjvreporting@sba.gov. These joint venture reports are to be provided to SBA in order to ensure that the joint venture follows SBA regulations.

The Agreement will be monitored and reviewed annually by the SBA. You will hear from us within 60 days of your annual report being due to our office. An outline for the report will be provided to you at that time. Additionally, SBA must approve all changes to the Agreement in advance, and any changes must be made in writing. SBA may terminate the mentor-protégé relationship at any time if
