

Overview

Homco Renaissance Inc. (HRI) is a Service-Disabled Veteran Owned Small Business (SDVOSB) and an SBA 8(a) Certified firm based in Columbia, Maryland. With more than a decade of industry experience, HRI has become a dependable provider of Engineering Design, Construction Administration, and Commissioning services across all disciplines and systems.

HRI partners with leading corporations, government agencies, and educational institutions to manage mission-critical projects nationwide, including data centers, healthcare facilities, utility plants, and transportation systems. A commitment to innovation and quality underpins each project, ensuring successful outcomes and superior service delivery. HRI is dedicated to providing exceptional service and achieving project excellence on every engagement.

Our divisions integrate commissioning, engineering and construction expertise from various perspectives, including:

- Owners
- Management
- Facilities
- Design
- Contractors
- Subcontractors
- Vendors
- Consultants

We focus on enhancing the construction process and client experience through:

- Communication, Coordination, and Collaboration
- Simplification and Improved Decision-Making
- Leveraging past lessons-learned to improve and strengthen future projects
